

Medi-Backpack TCCC

The fully equipped Medi-Backpack

Medi-Backpack TCCC - the professional, fully equipped first response backpack in military quality for the Combat Medic.

Two large inner compartments offer plenty of space and the 3 small outer pockets keep everything organized. The large front outer compartment has a removable medication bag with a fine subdivision. MOLLE-compatible equipment, 2-way zips for quick opening of the compartments. The large, well-organized interior and the removable medical bag provides lots of space for the complete First Aid equipment.

The **Medi-Backpack TCCC** comes fully equipped except medication.
